

What a bummer, I have nothing
to do!

You never get mad at her,
always me!

Yeah, we have Christmas Break
in two weeks!

I can do this by myself.

Leave me alone. No one cares
what I do anyway.

I'd like to tell him that, but he
might hit me.

I can't believe you said that to
me.

That is not true!

Who cares what you have to
say.

I got a new car!
